

Ukrainian Dancing on the Border Festival

March 24-26, 2023

Vendor General Information

Set-up/Dismantle Times

You may set up on Friday in your designated area. You will be notified by the Festival Committee 1-2 weeks prior to the event if there are any changes to the set-up times.

Also, during your set-up and display time, classes are still being held at the college. Courtesy should be shown to the students and staff. *At any given time, DO NOT block any walkways. If we have any issues or complaints, we may ask you to leave.*

Upon arrival, please let **Tara Jarvis, Lori Fabish, or Erin Thompson** know that you are ready to set up.

Display

In previous years, vendors have left items covered overnight in Lakeland College. This was to provide less set-up and take-down time. While we understand that it is difficult to re-establish a complete set-up each day, please know that our club will not be liable for items that may go missing.

NOTE: The Lakeland College does have security staff overnight.

Tentative Vendor Times
